

Phoenix Bulldog Club February Newsletter

Working on Public Education and betterment of the breed.

They are fast approaching, the PBC specialty shows at the Inn at Pima. On March 3 the show will be in the evening and on March 4 there is a morning show and an afternoon show. The Inn at Pima is located at 7330 North Pima in Scottsdale. For those not showing, come on out and show your support for those magnificent bullys.

The next PBC meeting will be Wednesday, February 17, at Kim Zavesky's home. The meeting will start at 7:30PM. This is always a fun meeting stuffing the gift bags for the specialty shows. Please bring items to include in the bags. Bring things that won't melt. We'll be working outside so bring a jacket if it's cool.
